

Perthyn discretionary policies under the Local Government Pension Scheme Regulations and other related Regulations

Summary

1. This report makes recommendations for **Perthyn** policies on discretions to be exercised:
 - i) under the LGPS Regulations 2013 from 1 April 2014 in respect of members of the Career Average Revalued Earnings (CARE) scheme,
 - ii) under earlier LGPS Regulations in respect of former employees who were members of the LGPS and who left prior to 1 April 2014,

Background

2. In March 2011, the Independent Public Service Pensions Commission, chaired by Lord Hutton, published its final report of the review of public service pensions. The report made clear that change was needed to “make public service pension schemes simpler and more transparent, [and] fairer to those on low and moderate earnings”.
3. As a result, it was decided that the Local Government Pension Scheme (LGPS) should be reformed so that, from 1 April 2014, benefits accrue on a Career Average Revalued Earnings (CARE) basis rather than on a final salary basis.
4. The provisions of the CARE scheme, together with the protections for members’ accrued pre 1 April 2014 final salary pension rights, are contained in the Local Government Pension Scheme Regulations 2013 and the Local Government Pension Scheme (Transitional Provisions, Savings and Amendment) Regulations 2014.
5. As a result of the changes, **Perthyn** is legally required to formulate, publish and send to the LGPS pension fund administering authority a written Statement of Policy on certain discretions under the LGPS which **Perthyn** has the power to exercise on and from 1 April 2014 in relation to members of the CARE scheme.
6. **Perthyn** is also legally required to (or where there is no requirement, is recommended to) formulate, publish and keep under review a Statement of Policy on certain other discretions it may exercise:
 - i) under earlier LGPS Regulations in respect of former employees who were members of the LGPS and who left prior to 1 April 2014
7. Overall, **Perthyn** is:
 - i) required to formulate, publish and keep under review a written Statement of Policy on certain discretions in accordance with:
 - regulation 60 of the Local Government Pension Scheme Regulations 2013,
 - paragraph 2(2) of Schedule 2 to the Local Government Pension Scheme (Transitional Provisions, Savings and Amendment) Regulations 2014,

8. In formulating and reviewing its policies under the LGPS Regulations referred to in paragraphs 7(i) above **Perthyn** is required to have regard to the extent to which the exercise of its discretionary powers might lead to a serious loss of confidence in the public service.

Decisions required

9. **Perthyn's Board of Trustees** is asked:
- i) to approve the policies on the discretions to be exercised under the LGPS Regulations in respect of those employees who are active scheme members after 31 March 2014 and members and who cease active membership after 31 March 2014, as set out in the table at Annex 1

Consultation

10. **Perthyn** is not required to consult with UNISON when **Perthyn** intends to adopt new, or change existing, discretionary policies. However, it was considered appropriate to give advance notification to UNISON that this report would be considered by **Perthyn's Board of Trustees**.

Effective date of policies

11. The policies on discretions to be exercised under the LGPS Regulations 2013 take immediate effect from the date **Perthyn** agrees the policies. Any change to the policies on existing discretions to be exercised under the LGPS Regulations in respect of former employees who were members of the scheme and who left pre 1 April 2014

Non-fettering of discretions

12. The recommendations contained within this report, if approved, will form **Perthyn** policies on pension and compensation discretions. It should be noted that:
- the policies will confer no contractual rights
 - subject to paragraph 11, **Perthyn** will retain the right to change the policies at any time without prior notice or consultation and
 - only the policy which is current at the time a relevant event occurs to an employee / scheme member will be the one applied to that employee / member.

Table A: Discretions to be exercised on and after 1 April 2014 under the LGPS Regulations 2013 in relation to active scheme members (other than local authority councillor members) and members who cease active membership after 31 March 2014 (other than local authority councillor members). <p>1. Whether, at full cost to Perthyn, to grant extra annual pension of up to £6,755 (figure at 1 April 2017¹) to an active scheme member or, within 6 months of leaving, to a member who is dismissed by reason of redundancy or business efficiency or whose employment is terminated by mutual consent on the grounds of business efficiency.</p>	<p>Perthyn will not make use of the discretion to grant extra annual pension of up to £6,755 (figure at 1 April 2017) to an active scheme member or, within 6 months of leaving, to a member who is dismissed by reason of redundancy or business efficiency or whose employment is terminated by mutual consent on the grounds of business efficiency except in exceptional circumstances where Perthyn considers it is in its financial or operational interests to do so. Each case will be considered on the merits of the financial and / or operational business case put forward.</p>
<p>2. Whether, where an active scheme member wishes to purchase extra annual pension of up to £6,755 (figure at 1 April 2017) by making Additional Pension Contributions (APCs), Perthyn will voluntarily contribute towards the cost of purchasing that extra pension via a Shared Cost Additional Pension Contribution (SCAPC).</p>	<p>Perthyn will only voluntarily contribute towards the cost of purchasing extra pension via a Shared Cost Additional Pension Contribution (SCAPC) in two situations. Firstly, where:</p> <ul style="list-style-type: none"> - an active scheme member returns from a period of authorised leave of absence, and - the member does not, within 30 days of returning from the leave of absence, make an election to

Each case to contribute to a SCAPC (and a decision on the amount to be contributed) will be considered on the merits of the financial and / or operational business case put forward.</p>
<p>3. Whether to permit flexible retirement for staff aged 55 or over who, with the agreement of Perthyn, reduce their working hours or grade and, if so, as part of the agreement:</p>	<p><u>Flexible retirement</u> Perthyn will not agree to flexible retirement except in circumstances where Perthyn considers it is in its financial or operational interests to do so. Each case will be considered on the merits of the financial and / or operational business case put forward and will require the approval of Perthyn’s Board of Trustees including, where the reduction is only to be waved in part, approval for the amount of reduction to be waived.</p>
