

St Georges & Priorslee Parish Council discretionary policies under the Local Government Pension Scheme Regulations and other related Regulations

Summary

1. This report are recommendations from Members of the Staffing Committee of St Georges & Priorslee Parish Councils regarding policies on discretions to be exercised:
 - i) under the LGPS Regulations 2013 from 1 April 2014 in respect of members of the Career Average Revalued Earnings (CARE) scheme,
 - ii) under earlier LGPS Regulations in respect of former employees who were members of the LGPS and who left prior to 1 April 2014,
 - iii) under the Local Government (Early Termination of Employment) (Discretionary Compensation) (England and Wales) Regulations 2006 and earlier compensation regulations,
 - iv) under the Local Government (Discretionary Payments) (Injury Allowances) Regulations 2011, and
 - v) under the Local Government Pension Scheme Regulations 1997 in respect of local authority councillor members.

Background

2. On 18th April 2017 the Parish Council agreed the Staffing Committee would develop discretionary policies which St Georges & Priorslee Parish Council would operate under the provisions of the Local Government (Early Termination of Employment) (Discretionary Compensation) (England and Wales) Regulations 2006.
3. In March 2011, the Independent Public Service Pensions Commission, chaired by Lord Hutton, published its final report of the review of public service pensions. The report made clear that change was needed to “make public service pension schemes simpler and more transparent, [and] fairer to those on low and moderate earnings”.
4. As a result, it was decided that the Local Government Pension Scheme (LGPS) should be reformed so that, from 1 April 2014, benefits accrue on a Career Average Revalued Earnings (CARE) basis rather than on a final salary basis.
5. The provisions of the CARE scheme, together with the protections for members’ accrued pre 1 April 2014 final salary pension rights, are contained in the Local Government Pension Scheme Regulations 2013 and the Local Government Pension Scheme (Transitional Provisions, Savings and Amendment) Regulations 2014.
6. As a result of the changes, St Georges & Priorslee Parish Council is legally required to formulate, publish and send to the LGPS pension fund administering authority a written Statement of Policy on certain discretions under the LGPS which St Georges & Priorslee Parish Council has the power to exercise on and from 1 April 2014 in relation to members of the CARE scheme.

7. St Georges & Priorslee Parish Council is also legally required to (or where there is no requirement, is recommended to) formulate, publish and keep under review a Statement of Policy on certain other discretions it may exercise:
8. I) under earlier LGPS Regulations in respect of former employees who were members of the LGPS and who left prior to 1 April 2014, [Any amended policy under paragraph 10(i) must be published and sent to the LGPS pension fund administering authority within one month of the date the revisions to the policy were made.
9. Overall, St Georges & Priorslee Parish Council is:
 - i) required to formulate, publish and keep under review a written Statement of Policy on certain discretions in accordance with:
 - regulation 60 of the Local Government Pension Scheme Regulations 2013,
 - paragraph 2(2) of Schedule 2 to the Local Government Pension Scheme (Transitional Provisions, Savings and Amendment) Regulations 2014,
 - regulation 66 of the Local Government Pension Scheme (Administration) Regulations 2008 (in respect of former employees who were members of the LGPS and who left between 1 April 2008 and 31 March 2014),
 - ii) recommended to formulate, publish and keep under review a written Statement of Policy on one discretion under the Local Government Pension Scheme Regulations 1995 (in respect of leavers before 1 April 1998).
10. In formulating and reviewing its policies under the LGPS Regulations referred to in paragraphs 9 St Georges & Priorslee Parish Council is required to have regard to the extent to which the exercise of its discretionary powers might lead to a serious loss of confidence in the public service.

Decisions required

11. St Georges & Priorslee Parish Council is asked:
 - i) to approve the policies on the discretions to be exercised under the LGPS Regulations in respect of those employees who are active scheme members after 31 March 2014 and members and who cease active membership after 31 March 2014, as set out in the table at Annex 1, and
 - ii) to approve the policies on the discretions to be exercised under the LGPS Regulations in respect of former employees who were scheme members and who left prior to 1 April 2014 (and in respect of local authority councillor members), as set out in the table at Annex 2, and

Effective date of policies

12. The policies on discretions to be exercised under the LGPS Regulations 2013 take immediate effect from the date St Georges & Priorslee Parish Council agrees the policies. Any change to the policies on existing discretions to be exercised under the LGPS Regulations in respect of former employees who were members of the scheme and who left pre 1 April 2014 (and in respect of local authority councillor members) take immediate effect from the date St Georges & Priorslee Parish Council agrees the policies.

Non-fettering of discretions

13. The recommendations contained within this report, if approved, will form St Georges & Priorslee Parish Council policies on pension and compensation discretions. It should be noted that:

- the policies will confer no contractual rights
- subject to paragraphs 12, St Georges & Priorslee Parish Council will retain the right to change the policies at any time without prior notice or consultation [plus, if appropriate, add a suitable caveat – for example: “but St Georges & Priorslee Parish Council will endeavour to discuss changes with [recognised union(s)]
- only the policy which is current at the time a relevant event occurs to an employee / scheme member will be the one applied to that employee / member.

1. Whether, at full cost to St Georges & Priorslee Parish Council, to grant extra annual pension of up to £6,675 (figure at 1 April 2015 ¹) to an active scheme member or, within 6 months of leaving, to a member who is dismissed by reason of redundancy or business efficiency or whose employment is terminated by mutual consent on the grounds of business efficiency.	St Georges & Priorslee Parish Council will not make use of the discretion to grant extra annual pension of up to £6,675 (figure at 1 April 2015) to an active scheme member or, within 6 months of leaving, to a member who is dismissed by reason of redundancy or business efficiency or whose employment is terminated by mutual consent on the grounds of business efficiency except in exceptional circumstances where St Georges & Priorslee Parish Council considers it is in its financial or operational interests to do so. Each case will be considered on the merits of the financial and / or operational business case put forward.

<p>2. Whether, where an active scheme member wishes to purchase extra annual pension of up to £6,675 (figure at 1 April 2015²) by making Additional Pension Contributions (APCs), St Georges & Priorslee Parish Council will voluntarily contribute towards the cost of purchasing that extra pension via a Shared Cost Additional Pension Contribution (SCAPC).</p>	<p>St Georges & Priorslee Parish Council will only voluntarily contribute towards the cost of purchasing extra pension via a Shared Cost Additional Pension Contribution (SCAPC) in three situations.</p> <p>Firstly, where:</p> <ul style="list-style-type: none"> - an active scheme member returns from a period of authorised leave of absence, and - the member does not, within 30 days of returning from the leave of absence, make an election to buy-back the amount of pension 'lost' during that period of leave of absence, and - the member subsequently makes an election to do so whilst an active member and it can be demonstrated that the reason for the member missing the original 30 day deadline was because the member had not been made aware of that deadline, and <ul style="list-style-type: none"> - the election is made no more than 3 months <p>A decision on whether the member meets the above criteria (and on whether the 3 month period referred to should be extended in any individual case) will be taken by the Staffing Sub Committee and, where it is agreed that the conditions are met, St Georges & Priorslee Parish Council will be required to contribute 2/3rds of the cost of buying back the 'lost' pension via a SCAPC.</p> <p>Secondly, where a member has a string of odd days of authorised unpaid leave of absence throughout the Scheme year (1 April to 31 March). In such a case St Georges & Priorslee Parish Council will, instead of requiring elections to buy-back the amount of pension 'lost' during the periods of leave of absence to be made within 30 days of returning from each day of absence, allow the member (whilst an active member) to make a single election during the Scheme year to cover each one of the absences that occur during the Scheme year.</p> <p>Thirdly, in exceptional circumstances where St Georges & Priorslee Parish Council considers it is in its financial or operational interests to do so.
