Discretionary policy under LGP Scheme

Summary

1. This report makes recommendations for Diocese of Hereford Multi-Academy Trust (DHMAT) policies on discretions to be exercised:
 - i) under the LGPS Regulations 2013 from 1 April 2014 in respect of members of the Career Average Revalued Earnings (CARE) scheme,
 - ii) under earlier LGPS Regulations in respect of former employees who were members of the LGPS and who left prior to 1 April 2014,
 - iii) under the Local Government (Early Termination of Employment) (Discretionary Compensation) (England and Wales) Regulations 2006 and earlier compensation regulations,
 - iv) under the Local Government (Discretionary Payments) (Injury Allowances) Regulations 2011, and

Background

2. On xxxx the Finance and Resources Committee agreed the discretionary policies DHMAT would operate under the provisions of the Local Government (Early Termination of Employment) (Discretionary Compensation) (England and Wales) Regulations 2006.
3. On **28.10.2015** the Finance and Resources Committee agreed the discretionary policies DHMAT would operate in relation to the Local Government Pension Scheme (Benefits, Membership and Contributions) Regulations 2007.
4. On **28.10.2015** the Finance and Resources Committee agreed the discretionary policies DHMAT would operate in relation to the Local Government (Discretionary Payments) (Injury Allowances) Regulations 2011.
5. The policies were updated on
6. In March 2011, the Independent Public Service Pensions Commission, chaired by Lord Hutton, published its final report of the review of public service pensions. The report made clear that change was needed to “make public service pension schemes simpler and more transparent, [and] fairer to those on low and moderate earnings”.
7. As a result, it was decided that the Local Government Pension Scheme (LGPS) should be reformed so that, from 1 April 2014, benefits accrue on a Career Average Revalued Earnings (CARE) basis rather than on a final salary basis.
8. The provisions of the CARE scheme, together with the protections for members accrued pre 1 April 2014 final salary pension rights, are contained in the Local Government Pension Scheme Regulations 2013 and the Local Government Pension Scheme (Transitional Provisions, Savings and Amendment) Regulations 2014.

9. As a result of the changes, DHMAT is legally required to formulate, publish and send to the LGPS pension fund administering authority a written Statement of Policy on certain discretions under the LGPS which DHMAT has the power to exercise on and from 1 April 2014 in relation to members of the CARE scheme.
10. DHMAT is also legally required to (or where there is no requirement, is recommended to) formulate, publish and keep under review a Statement of Policy on certain other discretions it may exercise:
 - i) under earlier LGPS Regulations in respect of former employees who were members of the LGPS and who left prior to 1 April 2014, and
11. Any amended policy under paragraph 10(i) above must be published and sent to the LGPS pension fund administering authority within one month of the date the revisions to the policy were made.
12. Overall, DHMAT is:
 - i) required to formulate, publish and keep under review a written Statement of Policy on certain discretions in accordance with:
 - regulation 60 of the Local Government Pension Scheme Regulations 2013,
 - paragraph 2(2) of Schedule 2 to the Local Government Pension Scheme (Transitional Provisions, Savings and Amendment) Regulations 2014,
13. In formulating and reviewing its policies under the LGPS Regulations referred to in paragraph 12(i) above DHMAT is required to have regard to the extent to which the exercise of its discretionary powers might lead to a serious loss of confidence in the public service.

Decisions required

14. **Finance and Resources Committee** is asked:
 - i) to approve the policies on the discretions to be exercised under the LGPS Regulations in respect of those employees who are active scheme members after 31 March 2014 and members and who cease active membership after 31 March 2014, as set out in the table at Annex 1.

Consultation

- 15 DHMAT is not required to consult with the NUT, NASUWT, ASCL, NAHT and Unison when DHMAT intends to adopt new, or change existing, discretionary policies. However, it was considered appropriate to give advance notification to the NUT, NASUWT, ASCL, NAHT and Unison that this report would be considered by the Remuneration Committee.

Effective date of policies

16. The policies on discretions to be exercised under the LGPS Regulations 2013 take immediate effect from the date DHMAT agrees the policies. Any change to the policies on existing discretions to be exercised under the LGPS Regulations in respect of former employees who were members of the scheme and who left pre 1 April 2014 take immediate effect from the date DHMAT agrees the policies.

Non-fettering of discretions

17. The recommendations contained within this report, if approved, will form DHMAT policies on pension and compensation discretions. It should be noted that:
- the policies will confer no contractual rights
 - subject to paragraphs 16, DHMAT will retain the right to change the policies at any time without prior notice or consultation, **but** DHMAT will endeavour to discuss changes with the NUT, NASUWT, NAHT, ASCL and Unison, and
 - only the policy which is current at the time a relevant event occurs to an employee / scheme member will be the one applied to that employee / member.

Annex 1

Table A: Discretions to be exercised on and after 1 April 2014 under the LGPS Regulations 2013 in relation to active scheme members (other than local authority councillor members) and members who cease active membership after 31 March 2014 (other than local authority councillor members).	The Diocese of Hereford Multi-Academy Trust policy
<p style="text-align: center;">-</p>	<p>The Diocese of Hereford Multi-Academy Trust will not make use of the discretion to grant extra annual pension of up to £6,675 (figure at 1 April 2015) to an active scheme member or, within 6 months of leaving, to a member who is dismissed by reason of redundancy or business efficiency or whose employment is terminated by mutual consent on the grounds of business efficiency except in exceptional circumstances where The Diocese of Hereford Multi-Academy Trust considers it is in its financial or operational interests to do so. Each case will be considered on the merits of the financial and / or operational business case put forward.</p>
<p>1. Whether, where an active scheme member wishes to purchase extra annual pension of up to £6,675 (figure at 1 April 2015¹) by making Additional Pension Contributions (APCs), The Diocese of Hereford Multi-Academy Trust will voluntarily contribute towards the cost of purchasing that extra pension via a Shared Cost Additional Pension Contribution (SCAPC).</p>	<p>The Diocese of Hereford Multi-Academy Trust will only voluntarily contribute towards the cost of purchasing extra pension via a Shared Cost Additional Pension Contribution (SCAPC) in two situations. Firstly, where:</p> <ul style="list-style-type: none"> - an active scheme member returns from a period of authorised leave of absence, and - the member does not, within 30 days of returning from the leave of absence, make an election to buy-back

¹ The figure of £6,500 that applied at April 2014 is increased each April (starting April 2015) under the Pension (Increase) Act 1971 (as if it were a pension with a PI date of 1 April 2013).

	<p>the amount of pension 'lost' during that period of leave of absence, and</p> <ul style="list-style-type: none"> - the member subsequently makes an election to do so whilst an active member and it can be demonstrated that the reason for the member missing the original 30 day deadline was because the member had not been made aware of that deadline, and - the election is made no more than 3 months after the member returns from the period of leave of absence or such longer period as The Diocese of Hereford Multi-Academy Trust may deem reasonable in any individual case. <p>A decision on whether the member meets the above criteria (and on whether the 3 month period referred to should be extended in any individual case) will be taken by and, where it is agreed that the conditions are met, The Diocese of Hereford Multi-Academy Trust will be required to contribute 2/3rds of the cost of buying back the 'lost' pension via a SCAPC.</p> <p>Secondly, in exceptional circumstances where The Diocese of Hereford Multi-Academy Trust considers it is in its financial or operational interests to do so. Each case to contribute to a SCAPC (and a decision on the amount to be contributed) will be considered on the merits of the financial and / or operational business case put forward.</p>
	<p><u>Flexible retirement</u> The Diocese of Hereford Multi-Academy Trust will not agree to flexible retirement except in circumstances</p>

2. Whether to permit flexible retirement for staff aged 55² or over who, with the agreement of **The Diocese of Hereford Multi-Academy Trust**, reduce their working hours or grade and, if so, as part of the agreement:

- whether, in addition to the benefits the member has accrued prior to 1 April 2008 (which the member must draw if flexible retirement is agreed), to permit the member to choose to draw
 - all, part or none of the pension benefits they accrued after 31 March 2008 and before 1 April 2014, and / or
 - all, part or none of the pension benefits they accrued after 31 March 2014, and
- whether to waive, in whole or in part, any actuarial reduction which would otherwise be applied to the benefits taken on flexible retirement before Normal Pension Age (NPA)³.
 - the Pension Fund by, the employer.

where **The Diocese of Hereford Multi-Academy Trust** considers it is in its financial or operational interests to do so. Each case

- will be considered on the merits of the financial and / or operational business case put forward,
- where flexible retirement is being considered, there must be a reduction of at least one grade, or, in the case of a flexible retirement due to a reduction of working hours, be a minimum reduction in hours agreed by The Bishop Anthony Educational Trust
- will set out whether, in addition to any pre 1 April 2008 benefits, the member will be permitted, as part of the flexible retirement agreement, to take
 - a) all, some or none of their 1 April 2008 to 31 March 2014 benefits, and /or
 - b) all, some or none of their post 31 March 2014 benefits, and
- will require the approval of The **Finance and Resources Committee**

Waiver of any actuarial reduction on flexible retirement

² Age 50 for those LGPS members transferred from the Learning and Skills Council to whom regulation 16A of the LGPS (Benefits, Membership and Contributions) Regulations 2007 applies. Such members only need the employer's permission to reduce their working hours or grade but, if that permission is given, do not require their employer's permission to draw their benefits (as such members have the automatic right to take the benefits by virtue of regulation 18A of the LGPS (Benefits, Membership and Contributions) Regulations 2007 and regulation 24 of the LGPS (Transitional Provisions, Savings and Amendment) Regulations 2014).

³ NPA means the employee's individual State Pension Age at the time the employment is terminated, but with a minimum of age 65 (although, the NPA for membership accrued prior to 1 April 2014 is still linked to age 65, apart from those LGPS members transferred from the Learning and Skills Council to whom regulation 16A of the LGPS (Benefits, Membership and Contributions) Regulations 2007 applies for whom the NPA for membership accrued prior to 1 April 2014 is, by virtue of that regulation and regulation 24 of the LGPS (Transitional Provisions, Savings and Amendment) Regulations 2014, still linked to age 60, and those LGPS members who are employees of the Meat Hygiene Service in the London Pension Fund Authority fund who are covered by regulation 144B of the LGPS Regulations 1997 for whom the NPA for membership accrued prior to 1 April 2014 is, by virtue of that regulation and regulation 24 of the LGPS (Transitional Provisions, Savings and Amendment) Regulations 2014, still linked to age 60). State Pension Age is currently age 65 for men. State Pension Age for women is currently being increased to be equalised with that for men and will reach 65 by November 2018. The State Pension Age will then increase to 66 for both men and women from December 2018 to October 2020. Under current legislation the State Pension Age is due to rise to 67 between 2026 and 2028 and to 68 between 2044 and 2046. However, the government has announced plans to link rises in the State Pension Age above age 67 to increases in life expectancy.

	<p>Where flexible retirement is agreed, the benefits payable will be subject to any actuarial reduction applicable under the Local Government Pension Scheme Regulations and the Local Government Pension Scheme (Transitional Provisions, Savings and Amendment) Regulations 2014. The Diocese of Hereford Multi-Academy Trust will only waive any such reduction, in whole or in part, where it considers it is in its financial or operational interests to do so. Each case will be considered on the merits of the financial and / or operational business case put forward and will require the approval of The Finance and Resources Committee including, where the reduction is only to be waived in part, approval for the amount of reduction to be waived.</p>
<p>3. Whether, as the 85 year rule does not (other than on flexible retirement – see 3 above) <u>automatically</u> apply to members who would otherwise be subject to it and who choose to voluntarily draw their benefits on or after age 55 and before age 60, to apply the 85 year rule⁴ to such voluntary retirements.</p>	<p>The Diocese of Hereford Multi-Academy Trust will not agree to apply the 85 year rule where members choose to voluntarily draw their benefits on or after age 55 and before age 60 except in circumstances where The Bishop Anthony Educational Trust considers it is in its financial or operational interests to do so. Each case</p> <ul style="list-style-type: none"> - will be considered on the merits of the financial and / or operational business case put forward, and - will require the approval of The Finance and Resources Committee
<p>4. For:</p>	<p>Where members choose to voluntarily draw their benefits on or after age 55 and before Normal Pension Age The Diocese of Hereford Multi-Academy Trust will not</p>

⁴ The 85 year rule does not apply to former members of the Metropolitan Civil Staffs Superannuation Scheme, or Meat Hygiene Service members, or civil servants transferred to the Environment Agency who by virtue of regulation 24 of the LGPS (Transitional Provisions, Savings and Amendment) Regulations 2014 are subject to, respectively, regulation 144A of, and Schedule 7 to, the LGPS Regulations 1997, regulation 144B of the LGPS Regulations 1997 and regulation 15 of the LGPS (Transitional Provisions) Regulations 2008.

<p>i) active members voluntarily retiring on or after age 55⁵ and before Normal Pension Age who elect under regulation 30(5) of the LGPS Regulations 2013 to immediately draw benefits, and</p> <p>ii) deferred members and suspended Tier 3 ill health pensioners who elect under regulation 30(5) of the LGPS Regulations 2013 to draw benefits (other than on ill health grounds) on or after age 55⁶ and before Normal Pension Age</p> <p>who:</p> <ul style="list-style-type: none"> - were <u>not</u> members of the LGPS before 1 October 2006 [Group 4 members], whether to: <ul style="list-style-type: none"> o waive on compassionate grounds, any actuarial reduction that would otherwise be applied to benefits, if any, accrued before 1 April <u>2014</u>, and / or o waive, in whole or in part (on any grounds), any actuarial reduction that would otherwise be applied to benefits accrued after 31 March <u>2014</u> - <u>were</u> members of the LGPS before 1 October 2006 and <u>will</u> be 60 or more on 31 March 2016 [Group 1 members], whether to: 	<p>agree to waive in whole or in part any actuarial reduction that would otherwise be applied to their benefits except in circumstances where The Diocese of Hereford Multi-Academy Trust considers it is in its financial or operational interests to do so or there are compelling compassionate⁷ reasons for doing so.</p> <p>Each case</p> <ul style="list-style-type: none"> - will be considered on the merits of the financial and / or operational business case put forward, or - will be considered on the merits of the compassionate case put forward, and will require the approval of The Finance and Resources Committee - including, where the reduction is only to be waved in part, approval for the amount of reduction to be waived

⁵ Age 50, by virtue of regulation 24 of the LGPS (Transitional Provisions, Savings and Amendment) Regulations 2014, for those LGPS members transferred from the Learning and Skills Council to whom regulation 16A of the LGPS (Benefits, Membership and Contributions) Regulations 2007 applies and those civil servants transferred to the Environment Agency to whom regulation 15 of the LGPS (Transitional Provisions) Regulations 2008 applies.

⁶ Age 50, by virtue of regulation 24 of the LGPS (Transitional Provisions, Savings and Amendment) Regulations 2014, for those LGPS members transferred from the Learning and Skills Council to whom regulation 16A of the LGPS (Benefits, Membership and Contributions) Regulations 2007 applies and who are electing for early payment of a deferred benefit (but not if they are electing for early payment of a suspended Tier 3 ill health pension) and those civil servants transferred to the Environment Agency to whom regulation 15 of the LGPS (Transitional Provisions) Regulations 2008 applies and who are electing for early payment of a deferred benefit or early payment of a suspended Tier 3 ill health pension.

⁷ There is no definition in the Regulations of “compassionate grounds”. However, one could take the view that, for example, releasing benefits because the member is short of funds / out of work would not be appropriate (as the pension scheme is not a social security scheme); whereas, for example, releasing benefits because the member has had to give up work to look after orphaned grandchildren would clearly be a case where an employer might wish to exercise compassion.

	<p>time equivalent pensionable pay on commencing with The Bishop Anthony Educational Trust is, in real terms after allowing for inflation, significantly less than the whole-time equivalent pensionable pay upon which the deferred benefits were calculated).</p>

¹⁷ There is no definition in the Regulations of “compassionate grounds”. However, one could take the view that, for example, waiving a reduction because the member is short of funds / out of work would not be appropriate (as the pension scheme is not a social security scheme); whereas, for example, releasing benefits because the member has had to give up work to look after orphaned grandchildren would clearly be a case where an employer might wish to exercise compassion.

Where a former scheme member who left the scheme between 1 April 1998 and 31 March 2008 requests early release of deferred benefits on or after age 50 and before age 60 (on grounds other than permanent ill health), approval will only be given on compassionate grounds ²¹ . ¹⁹ This discretion does not apply to those LGPS members who are former members of the Metropolitan Civil Staffs Superannuation Scheme and who are covered by regulation 144A of, and Schedule 7 to, the LGPS Regulations 1997 or to former NHS Scheme members who are covered by regulation 23 of the LGPS (Transitional Provisions) Regulations 1997 (as such members have the automatic right to take benefits on or after age 50 and before age 60).

Appendix A

This appendix provides information for local authorities with staff in Maintained Schools with a delegated budget on the exercise of discretions in respect of those employees.

General

Staff in community schools, community special schools, maintained nursery schools or voluntary controlled schools are employed by the Local Authority.

Staff in foundation schools, foundation special schools, foundation trust schools and voluntary aided schools are employed by the Governing Body of the school.

A Maintained School is a community school, a community special school, a maintained nursery school, a foundation school, a foundation special school, a foundation trust school, or a voluntary school.

Section 37 of the Education Act 2002 provides that the Governing Body of a Maintained School with a delegated budget shall determine whether any payment shall be made by the Local Authority in respect of the dismissal of, or for the purpose of securing the resignation of, any member of the school's staff. It is also for the Governing Body to determine the amount of the payment. However, section 37 does not apply in relation to any payment which the Local Authority is required to make by virtue of any contract, other than one made in contemplation of the impending dismissal or resignation, or under any statutory provision (e.g. the payment of a statutory redundancy payment).

Discretions policy under the LGPS Regulations 2013

Discretions under the LGPS Regulations 2013 are covered in Table A of Annex 1 of this paper.

Regulation 60 of the LGPS Regulations 2013 and paragraph 2(2) of the LGPS (Transitional Provisions, Savings and Amendment) Regulations 2014 say that a Scheme employer must prepare and publish a written statement of its policy in relation to the exercise of its functions set out in the first 5 entries in Table A of Annex 1 of this paper.

Schedule 1 of the LGPS Regulations 2013 defines a Scheme employer as "a body listed in Schedule 2 employing an employee who is eligible to be a member and includes an admission body".

Schedule 2 includes Local Authorities and Part 4 of Schedule 2 provides that although employees in foundation schools, foundation special schools, foundation trust schools, voluntary aided schools, technical institutes and federated schools are employed by the Governing Body, the Scheme employer is deemed to be the Local Authority.

Staff in community schools, community special schools, maintained nursery schools or voluntary controlled schools are employed by the Local Authority.

Thus, the Local Authority's discretions policy will apply to employees of a community school, a community special school, a maintained nursery school, a voluntary controlled school, a foundation school, a foundation special school, a foundation trust school, a voluntary aided school, a technical institute and a federated school.

Although section 37 of the Education Act 2002 gives all of the Maintained Schools with a delegated budget the power to go beyond the Local Authority's policies in respect of the dismissal of, or for the purpose of securing the resignation of, any member of the school's staff, in reality, as this will entail additional cost, a community school, a community special school, a maintained nursery school, a foundation school, a foundation special school, a foundation trust school or a voluntary school is unlikely to depart from the Local Authority's policy. Nevertheless, the power to go beyond the Local Authority's policy for the purposes of the dismissal of, or securing the resignation of, any member of the school's staff exists and so the Local Authority's policy statement in relation to entry 1 in Table A of Annex 1 of this paper (in relation to the ability to award extra annual pension of up to £6,675 (figure as at April 2015) as part of an arrangement for the dismissal of, or for the purpose of securing the resignation of, a member of staff) will have to contain a modification to reflect the powers conferred by the Education Act 2002 on such Maintained Schools with a delegated budget.

Discretions policy under the LGPS (Administration) Regulations 2008

Discretions under the LGPS (Administration) Regulations 2008 are covered in Table B of Annex 2 of this paper.

Regulation 66 of the LGPS (Administration) Regulations 2008 says that each employing authority must prepare and publish a written statement of its policy in relation to the exercise of its functions set out in Table B of Annex 2 of this paper.

Schedule 1 of the LGPS (Administration) Regulations 2008 defines an employing authority as "a body employing an employee who is eligible to be a member".

Staff who were employed in a community school, a community special school, a maintained nursery school, or a voluntary controlled school were employed by the Local Authority (the 'employing authority') and are, therefore, subject to the Local Authority's discretions policy.

However, the position of staff in a foundation school, foundation special school, foundation trust school or voluntary aided school is slightly more convoluted. Such schools are the employer of the staff. Thus it may appear that the school is an 'employing authority' and so would have to have a discretions policy on the matters set out in Table B of Annex 2 of this paper. However, regulation 8 of the LGPS (Administration) Regulations 2008 provides that the employees of such an establishment and of a technical institute or a federated school are deemed for the purposes of the LGPS to be employees of the Local Authority (although their actual employer is the Governing Body). They are also treated as if references in the LGPS to employment by a Scheme employer and all similar expressions included them. So, as the body employing an employee who is eligible to be a scheme member has to prepare and publish a policy and, for the purposes of the LGPS, the employees are deemed to be in the employment of the Local Authority, it is considered that they will be subject to the Local Authority's policy. This is consistent with the position under the LGPS Regulations 2013 and the LGPS Regulations 1997.

Thus, the Local Authority's discretions policy will apply to those who were employees of a community school, a community special school, a maintained nursery school, a voluntary controlled school, a foundation school, a foundation special school, a foundation trust school, a voluntary aided school, a federated school or a technical institute.

Discretions policy under the LGPS Regulations 1997

Discretions under the LGPS Regulations 1997 are covered in Table C of Annex 2 of this paper.

Regulation 106 of the LGPS Regulations 1997 says that a Scheme employer must prepare a written statement of its policy in relation to the exercise of its functions set out in Table C of Annex 2 of this paper.

Schedule 1 of the LGPS Regulations 1997 defines a Scheme employer as “a resolution body listed in regulation 4(6)(a) or a body specified in Schedule 2 (but see regulation 5B(8) and Chapter I of Part IV)”.

Regulation 128, which is contained in Chapter I of Part IV of the LGPS Regulations 1997, provides that although employees who were employed in foundation schools, foundation special schools, (foundation trust schools), voluntary schools and technical institutes were **employed by the Governing Body**, the Scheme employer is deemed to be the Local Authority.

Staff who were employed in community schools, community special schools, maintained nursery schools or voluntary controlled schools were employed by the Local Authority.

Thus, the Local Authority’s discretions policy will apply to those who were employees of a community school, a community special school, a maintained nursery school, a voluntary controlled school, a foundation school, a foundation special school, (a foundation trust school), a voluntary aided school and a technical institute.

Discretions policy under the LGPS Regulations 1995

Discretions under the LGPS Regulations 1995 are covered in Table D of Annex 2 of this paper.

Employing authorities can grant applications for the early payment of a deferred benefit on compassionate grounds.

Schedule A1 to, and regulation B16 of, the LGPS Regulations 1995 defines an employing authority as “the body employing an employee who is eligible to be a member of the Scheme”.

Regulation B6 of, and Schedule B3 to, the LGPS Regulations 1995 provide that the employees who were employed in a voluntary school maintained but not provided by a local authority or of a technical institute are deemed for the purposes of the LGPS to be employees of the Local Authority (although their actual employer is the Governing Body). They are also treated as if references in the LGPS to employment by a Scheme employer and all similar expressions included them.

Staff who were employed in community schools, community special schools, maintained nursery schools or voluntary controlled schools were employed by the Local Authority.

Thus, the Local Authority’s discretions policy will apply to those who were employees of a community school, a community special school, a maintained nursery school, a voluntary controlled school, a voluntary aided school and a technical institute.

Discretions policy under the Local Government (Early Termination of Employment) (Discretionary Compensation) (England and Wales) Regulations 2006

Discretions under the Discretionary Compensation Regulations 2006 are covered in Table E of Annex 3 of this paper.

Regulation 7(1) of the Discretionary Compensation Regulations 2006 says that each employing authority must prepare and publish a statement of its policy in relation to the exercise of its functions set out in Table E of Annex 3 of this paper.

Regulation 2(1) of the Discretionary Compensation Regulations 2006 defines an employing authority as:

“(a) a body listed in Part 1 of Schedule 2 (Scheme employers) to the Administration Regulations by whom the person is employed immediately before the termination date;

(b) a body listed in Part 2 of that Schedule by whom the person is employed immediately before the termination date and who has been designated by the body as being eligible for membership of the Scheme under regulation 4(3) of those Regulations; or

(c) in the case of a person who is eligible to be a Scheme member under regulation 8(1) of the Administration Regulations, the local authority local authority by whom the person is deemed to be employed under regulation 8(2) of those Regulations. “

Staff employed in a community school, a community special school, a maintained nursery school or a voluntary controlled school are employed by the Local Authority and will, therefore, be subject to the Local Authority's policies under the Discretionary Compensation Regulations 2006.

Staff employed in voluntary aided schools, foundation schools, foundation special schools, foundation trust schools, technical institutes and federated schools are deemed by virtue of regulation 2 of the Discretionary Compensation Regulations 2006 to be employed by the Local Authority. Thus, the Local Authority's policies under those Regulations apply.

Section 37 of the Education Act 2002 provides that the Governing Body of a Maintained School with a delegated budget shall determine whether any payment shall be made by the Local Authority in respect of the dismissal of, or for the purpose of securing the resignation of, any member of the school's staff. It is also for the Governing Body to determine the amount of the payment.

Although section 37 of the Education Act 2002 gives all Maintained Schools with a delegated budget the power to go beyond the Local Authority's policies, in reality, as the award of compensation will entail costs, the schools are unlikely to depart from the Local Authority's policy.

Nevertheless, the power to go beyond the Local Authority's policy exists and, in the circumstances, the Local Authority's policy statement should be modified to reflect the powers conferred on Maintained Schools with a delegated budget by the Education Act 2002.

There does, however, appear to be a slight conflict between regulations 5(3) and 6(2) of the Discretionary Compensation Regulations 2006 which say:

'5 Power to increase statutory redundancy payment

(3) The power to pay compensation is exercisable by the employing authority

6 Discretionary compensation

(2) Where this regulation applies, the employing authority may, not later than six months after the termination date, decide to pay compensation under this regulation....'

and section 37(1) of the Education Act 2002 which says:

'(1) it shall be for the governing body of a maintained school to determine

a) whether any payment should be made by the Local Authority in respect of the dismissal, or for the purpose of securing the resignation, of any member of staff of the school and
b) the amount of such payment.'

So, on the one hand, the Discretionary Compensation Regulations 2006 say that the employing authority (which is defined by regulation 2 of the Discretionary Compensation Regulations 2006 as the Local Authority) shall decide whether to pay compensation and, if so, how much to pay; and on the other hand the Education Act 2002 says that it is the governing body who shall decide whether the Local Authority should pay compensation and, if so, how much. Perhaps the only way to rationalise this apparent anomaly is if one takes the view that the Education Act 2002 gives the power to the governing body to decide whether the Local Authority should pay compensation and, if so, how much and the Local Authority must then simply exercise its discretion under regulations 5(3) and 6(2) of the Discretionary Compensation Regulations 2006 to merely pay the amount decided upon by the governing body.

Discretions policy under the Local Government (Early Termination of Employment) (Discretionary Compensation) (England and Wales) Regulations 2000

Discretions under the Discretionary Compensation Regulations 2000 are covered in Table F of Annex 3 of this paper.

Regulation 26(1) of the Discretionary Compensation Regulations 2000 says that each employing authority must prepare and publish a statement of its policy in relation to the exercise of its functions set out in Table F of Annex 3 of this paper.

Schedule 1 of the Discretionary Compensation Regulations 2000 defines an employing authority as:

(a) a body listed in Schedule 2 (Scheme employers) to the Pension Regulations by whom he is employed immediately before the termination date; or

(b) a body specified in regulation 4(6) (resolution bodies)[21] of those Regulations -

(i) by whom he is employed immediately before the termination date; and

(ii) which has passed a relevant resolution, within the meaning of regulation 4(5) of those Regulations, which covers him;

Staff who were employed in a community school, a community special school, a maintained nursery school or a voluntary controlled school were employed by the Local Authority and will, therefore, be subject to the Local Authority's policies under the Discretionary Compensation Regulations 2000.

There does not appear to be any specific provision in the Discretionary Compensation Regulations 2000 stating that staff who were employed in voluntary aided schools, foundation schools, foundation special schools or foundation trust schools should be deemed to be employed by the Local Authority. However, given the provisions in the Discretionary Compensation Regulations 2006 it is reasonable to assume that the Local Authority's policies under the Discretionary Compensation Regulations 2000 should apply to them.

Discretions policy under the Local Government (Discretionary Payments) (Injury Allowances) Regulations 2011

Discretions under the Injury Allowances Regulations 2011 are covered in Table G of Annex 3 of this paper.

Regulation 14(1) of the Injury Allowances Regulations 2011 says that each LGPS employer must prepare and publish a statement of its policy in relation to the exercise of its functions set out in Table G of Annex 3 of this paper.

Regulation 2(1) of the Injury Allowances Regulations 2011 defines an LGPS employer as:

(a) a Scheme employer, being a body mentioned in regulation 8, or listed in Schedule 2 to the Administration Regulations; or

(b) a police authority in relation to a police cadet appointed under section 28 of the Police Act 1996.

Staff employed in a community school, a community special school, a maintained nursery school or a voluntary controlled school are employed by the Local Authority and will, therefore, be subject to the Local Authority's policy.

However, because of the wording in (a) above, the position of staff in a foundation school, foundation special school, foundation trust school, voluntary aided school, technical institution or federated school is slightly less clear. This is because the body mentioned in regulation 8 of the LGPS (Administration) Regulations 2008 is the foundation school, foundation special school, foundation trust school, voluntary aided school, technical institution or federated school. Thus, the school is the body referred to and is thus the body that would appear to be required to have discretions policy on the matters in Table G of Annex 3 of this paper. However, regulation 8 of the LGPS (Administration) Regulations 2008 provides that the employees of such an establishment are deemed for the purposes of the LGPS to be employees of the Local Authority (although their actual employer is the Governing Body). They are also treated as if references in the LGPS to employment by a Scheme employer and all similar expressions included them. So, is the school required to prepare and publish a policy or, as the employees are deemed to have been employees of the Local Authority, does the Local Authority's policy apply? On balance, and given the line taken in respect of all the other matters in this Appendix, it is considered that the Local Authority's policy should be applied.

Thus, the Local Authority's discretions policy will apply to those who were employees of a community school, a community special school, a maintained nursery school, a voluntary controlled school, a foundation school, a foundation special school, a foundation trust school, a voluntary aided school, a federated school or a technical institute.
